MAYA UBUD RESORT & SPA, BALI, INDONESIA

FACILITIES

Saftig grüne Reisfelder, spektakuläre Tropennatur, romantische Buchten, verträumte Dörfer, mystische Tempel und traditionelle Märkte – die indonesische Trauminsel Bali bietet Urlaub weitab vom Alltäglichen. Wenige Minuten vom Künstlerstädtchen Ubud lässt das mehrfach preisgekrönte Maya Ubud Resort & Spa die ganze Schönheit der Götterinsel erlebbar werden. Das luxuriöse Domizil begrüßt seine Gäste mit einer imposanten Open-Air-Lobby und beeindruckt mit einem besonders liebenswürdigen Service. Das Interieur der 108 Zimmer und Pool-Villen besticht durch eine gelungene Synthese aus traditionellen balinesischen Stilelementen und modernem Design. Drei Restaurants bieten internationale sowie asiatische Köstlichkeiten. Ein Highlight des exotischen Hideaways ist das direkt am Flussufer des Petanu gelegene Spa at Maya. Asiatische Massagen und revitalisierende Entspannungstreatments, unterstützt von aromatischen Kräutern, Ölen und Blumenbädern, befreien wie von Zauberhand vom Ballast des Alltags. Maßgeschneiderte Spa-Pakete, Anti-Aging-Behandlungen, energetische Massagen oder Anwendungen in Anlehnung an tradierte balinesische Heilmethoden sind ein Vergnügen für Körper und Seele. Yoga-Studio, Fitnesscenter und Tennisplatz ergänzen neben geführten Wanderungen, Rafting und Mountainbike-Touren das Freizeit- und Sportangebot. Und auch für Businesssevents oder unvergessliche Hochzeiten bietet das Resort den passenden Rahmen.

Lush, green paddy fields, spectacular tropical surroundings, secluded bays, idyllic villages, mysterious temples and traditional markets – the Indonesian paradise island of Bali offers a heavenly holiday destination far away from the toils of everyday life. Located just a few minutes from Ubud, a village famous as a centre of art, the multi-award-winning Maya Ubud Resort & Spa is a jewel of a hideaway where the unparalleled beauty of the 'Island of the Gods' comes to life. The luxurious residence welcomes its guests with a stunning open-air lobby and friendly, warm-hearted service. The interiors of the 108 rooms and pool villas are distinguished by a wonderful combination of contemporary design and traditional Balinese elements. In the three restaurants diners can savour international and Asian specialities. The Spa at Maya, which enjoys a picturesque location at the edge of the Petanu river, is a particular highlight of this resort. Asian massages and revitalising relaxation treatments, together with the use of aromatic herbs, oils and flower baths, magically lull guests into a state of blissful rapture. Tailor-made spa packages, anti-aging treatments, energy-giving massages and treatments based on traditional Balinese healing methods offer a pampering treat for body and soul. Alongside guided hikes, rafting and mountain bike tours, the recreation and sports amenities also include a yoga studio, gym and tennis court. And the resort also offers the perfect setting for business events or unforgettable weddings.
